WINE PORTFOLIO

MEET OUR WINES, SPIRIT AND OLIVE OIL

www.kozlovic.hr

VALLE

Blend of Malvasia Istriana (80%) and Sauvignon Blanc (20%). The first is giving body and texture while the Sauvignon contributes to the verticality, freshness and aromatic complexity. An ideal aperitif. Best consumed as a young wine.

VIOLETTA

Dry rose made from Merlot (80%) and Teran (20%) with a vivid and fruity nose reminiscent of strawberries. Medium-bodied with a touch of tannins. Drink as aperitif or throughout the meal. Best consumed as a young wine.

MALVAZIJA

Trade mark of our cellar, nourishing a varietal character of the 100% Malvasia Istriana. On the nose white flowers, peaches and juicy yellow fruits. Good body and long aftertaste. Ideal for seafood, pasta and white meat dishes. To be consumed within 3 to 4 years.

MUSCAT MOMIANO DRY

Indigenous Muscat from geographically protected Momiano region. On the nose scents of pineapple and fresh apple. Dry, aromatic and crispy wine. An ideal aperitif. Best when consumed while young, but will age finely. Available in winery only.

TERAN

Indigenous variety called a wild child of Istria. Specific dark, ruby red colour and herbal-fruity nose with fine spices. Freshness and fullness of ripe fruit on the palate. Pairs well with wild game and red meat dishes. Best consumed within 3 years.

MUSCAT MOMIANO SEMI SWEET

Expressive Muscat from Momiano region with a focused varietal aroma. Creamy texture, vibrant and refreshing with a long finish. Goes well with cheeses and lightly sweetened desserts. Best consumed as a young wine.

SVINJON

Pure Sauvignon Blanc from the Valle vineyard. Intense, herbal scent with green pepper, asparagus and grapefruit while salty and fresh on the palate. Pairs well with goat cheese, salads and certainly asparagus dishes. Available in winery only.

SANTA LUCIA MALVAZIJA

100 % Malvasia Istriana from a single vineyard of Santa Lucia, planted in 1961. Harvested by hand. Manual grape selection, cryo maceration. Aging in large wooden barrels of 32 ha for 12 months, plus 12 months in inox and minimum 2 years in the bottle. Creamy texture and intense character showing the potential of a Malvasia as variety. Ageing potential: 10+ years. Produced only in the best vintages.

SANTA LUCIA NOIR

Blend of Merlot (50%), Cabernet Sauvignon (30%) and Teran (20%) from a single vineyard of Santa Lucia. Manual harvesting. Aged in barrique for 18 months, then 12 months in inox. Bottle aging minimum 2 years. Spices and black fruits on the nose. Palate fruity with smoky nuances. Tannins firm and well-polished. Ageing potential: 10+ years. Produced only in the best vintages.

MALVAZIJA SANTA LUCIA PO MOJEN

Finest example of aged 100% Malvasia Istriana from Santa Lucia single vineyard. Floral, honeyed, with dried apricots and peaches, a touch of caramel, yeast and butter. Dry on the palate and full bodied with moderate acidities and oily texture. Ageing potential: 10+

MALVAZIJA SELEKCIJA

100% Malvasia Istriana standing between fresh Malvazija and aged Santa Lucia. Streamlined, focused and concentrated, bone dry and medium bodied with fine acidity and nice oily texture. Vintage 2017 won Platinum at Decanter 2020. Ageing potential at least 5 years.

SORBUS

A dessert wine from Muscat Momiano, 100%. Intense grape aroma with floral notes. Sweet on the palate with mild spices and good acidity. Traces of botrytis in the aftertaste with a note of bitterness. Bottle aging minimum 4 years. Best consumed within 10 years.

LACRIME

Grape brandy produced from the grape residue of Momiano Muscat. Aging: 12 months in stainless steel barrels. Calm and focused on the nose. Exceptionally long lasting. Alcohol: 43%

EXTRA VIRGIN OLIVE OIL

Blend of Pendolino, Istarska bjelica and Lecino. Manual picking. Cold pressing immediately after the harvesting. Fruity nose. Spicy on the palate.
